Forward

This book is based on work done initially by Genevieve Porter Johnson and Edna Cardon Taylor entitled "*CARDONS! Descendants of Phillippe Cardon and Marthe Marie Tourn 1799-1986*" which was distributed at the Cardon reunions. Any information without a specific source can probably be attributed to the *CARDONS!* book.

Additional information came from the update called "*Cardons! Descendants of Phillippe Cardon and Marthe Marie Tourn 1799-1995.*" The 1995 edition converted the work done by Johnson and Taylor to the "modified register" format which presents family group sheet information in a narrative form. The 1995 edition also updated information on original individuals and added information on new descendants. This work was compiled by Genevieve Porter Johnson, Edna Cardon Taylor, Charles H. Cardon and Earl Cardon.

Ancestry.com and FamilySearch.org were then used to fill in missing information where it could be found. Additional data came from various online databases (e.g. Arizona and California birth and marriage records, Utah burial records). Family members also sent in digital reproductions of birth, marriage, and death certificates, all of which were posted on the organization's website, www.thecardonfamilies.org.

Next, letters and e-mails were sent out requesting information from known descendants of Phillippe Cardon and Marthe Marie Tourn. We appreciate all those who responded and so graciously helped fill in missing information. Information was returned in a variety of ways, including text in e-mails, handwritten letters, family group sheets, and computer files. Computer files (GEDCOMs, PAF data files, Legacy data files) were merged into the data while the rest of the information was hand entered. Consequently there are many authors/contributors to this work.

From the beginning of this project, the information was collected in a family history program produced by Millennia, called Legacy Family Tree[®]. The program has a standard book style report for descendants. This book is a product of that report.

As with any book of this nature, there are errors. Corrections should be reported to the Cardon Families Organization.
